

## AUDIT COURSE REQUEST

Permission to audit a course will generally be granted only if there is reason to believe that the instructor of the course will not have to devote any individual attention to the auditing student. You should be aware that the college charges 50% tuition, and 100% fees for audited courses, and including charges for enrollment in more than 18 credits. Audited courses will appear on the transcript with a notation of AU in place of a grade.
