I am requesting permission to take _____ credits in Fall _____ or Spring _____.

My present cumulative GPA (grade point average) is _____.

The reason for this request is:-

***Note: Student Course Load**

“To carry more than 18.0 credit hours, a student must obtain written approval from the advisor and the Dean of Academics & Student Affairs, and have a cumulative grade-point average of at least 3.00”.

*(See Lyndon State College catalog for more information).

Please be aware of the financial implications of an overload.

A Lyndon student is billed at the full-time tuition rate for a per semester credit load of 12-18; however, increasing credits that create an overload situation means that you are billed at a per credit rate above the 18 credits. The rate of these charges corresponds with your student status: Resident, Non-Resident, NEBHE / Good Neighbor or International. This can substantially increase your tuition and fee costs. You are responsible for these overload charges in the same manner as you would be for any charges on your student account. Your signature on this form indicates that you understand and accept this.
